On May 6, 2021, Perdomo was arrested by Department of Homeland Security (DHS) and charged with Manufacturing, Distributing, or Disbursing of any Controlled Substance. Perdomo explained to the undersigned officer that he was questioned during a traffic stop and the vehicle was searched with consent. Perdomo reported he was traveling with this father's friend, who is the owner of the vehicle. Perdomo further explained there was a piece of furniture sealed in the backseat, and upon a search of the vehicle and furniture by DHS, cocaine was discovered. Perdomo alleged he was unaware the piece of furniture contained narcotics and was driving the vehicle to return his own vehicle's registration.

Although Perdomo was arrested, he was not formally charged, as the U.S. Attorney's Office declined prosecution for either Perdomo or the owner of the vehicle. Perdomo was released. According to the arresting agent, Perdomo was not the subject of the investigation and they did not believe he was aware of the narcotics in the vehicle.
